THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

[DOCKET NO. 2018-102-S](#) - Application of Kiawah River Utility Company for Approval of Sewer Rates, Terms, and Conditions - Staff Presents for Commission Consideration Kiawah River Utility Company's Amended Request for Approval of the Stipulation, Waiver of Hearing and Permission to Submit a Proposed Order.

COMMISSION ACTION:

Kiawah River Utility Company has applied to establish rates for the provision of sewer service to a portion of the unincorporated area in Charleston County on Johns Island that is a planned development district of approximately 2000 acres known as Kiawah River. In its application, the utility states that Kiawah River is outside the service area of all local private or governmental sewer utilities, and the developer of Kiawah River has recently finished construction of the sewer plant and related facilities.

To further its application, the company is seeking to waive the requirement for a hearing in this proceeding, scheduled for November 12, 2019, and authorize the Company and the Office of Regulatory Staff to submit a joint proposed order for final disposition. ORS filed a joint stipulation between the parties on October 22, 2019, and Kiawah filed an updated tariff on November 4th.

In further support of the utility's request, the Company maintains that there are no contested issues between the Company and ORS, and as a result a hearing is unnecessary. Additionally, the Company informs the Commission that public notice has been provided, and no persons or entities have sought to intervene, and no opposition has been filed.

Move we waive the hearing scheduled in this matter and permit the parties to submit a proposed order no later than November 20, 2019.
